CENAC ACTION ITEMS FROM NOVEMBER, 21, 2012

Action Item	Response	Status
CENAC ACTION ITEM AUGUST 29, 2012		
Action Item	Response	Status
1. R. Boehnke inquired about the follow-up to be done at the last CENAC meeting on the complaint process.	The GTAA is in the process of upgrading the Airport Noise and Flight Track Monitoring System in the Noise Office. We anticipate this new system being in place and operating by Winter 2013.	2 hour rule removed, complaints recorded 1:1 as of January 2013
